Description

Sign for a post and cone - round - professional safety accessory

The highly visible **sign for a post and cone - round** facilitates clear display of hazard notices or OHS safety instructions directly on site.

Engineered for secure slide-on mounting over traffic cone tops. UV-stable colors prevent fading under direct sunlight.

Technical specification

Dimensions / Length	Standardowy wymiar kompatybilny z pachołkami 50-100 cm
Material	High quality UV-resistant plastic (polypropylene / PVC)
Color	Red-white (warning color)
Product weight	0,2 kg

Application

- **Information & warning:** Displaying road signs, hazard signs, or custom warnings on traffic cones.
- **Chain connection:** Adapters and rings allow for connecting traffic cones with plastic safety chains.
- **Worksite safety:** Conveniently marking specific work conditions (e.g. road works, STOP).

Key advantages

- **Universal compatibility:** Designed to fit perfectly over standard traffic cones (50 cm, 75 cm, 100 cm).
- **UV-stable durable plastic:** Highly resistant to cracking, moisture, and color fading.
- **Tool-free installation:** Slips securely over the traffic cone tip in a few seconds.
- **High-contrast clear warning:** Vibrant background color facilitates easy reading from a distance.
