Description

Adapter for flexible posts

Conceal and shield the installation bolts of your road posts. The modular **Adapter for flexible posts** made of tough plastic is a practical and clean solution.

The simple snap-on design allows instant placement over the post base without any tools. This ensures outstanding durability and a professional look for your safety installation.

Technical Specification

Dimensions	N/A
Weight	0.1 kg
Material	Polyethylene (HDPE)
Color	Black

Applications

- **Concealing anchors:** Aesthetic coverage of mounting bolts in commercial and public spaces.
- **Corrosion prevention:** Shielding metal anchor bolts from rainwater, snow, and corrosive road salt.
- **Easy maintenance:** Preventing dirt, sand, and mud accumulation around the post's base plate.

Key Advantages & Benefits

- **Heavy-duty construction:** Molded from robust {mat_val} to withstand weather and foot traffic.
- **Professional finish:** Solid black color hides hardware and technical parts neatly.
- **Instant installation:** Slips directly over the post base without extra tools.
- **Universal design:** Fits standard flexible post bases up to 200 mm in diameter.
