| **Dimensions** | 210 mm x 330 mm x 615 mm |
| **Weight** | 0.5 kg |
| **Material** | Polyethylene (HDPE) |
| **Color** | Yellow |

# Applications

- **Commercial and office properties:** Warning customers of wet floors during cleaning schedules (A-boards).
- **Roadworks and construction sites:** Rapid deployment of temporary hazard signs in work areas (tripod stand).
- **Parking and access management:** Indicating tow-away and no-parking zones in commercial yards (signboard).

# Key Advantages & Benefits

- **Superior visual alert:** Bright safety colors and clear international pictograms maximize visibility.
- **Easy transport and folding:** Lightweight, folding designs that take minimal storage space when collapsed.
- **Durable construction:** Made of high-grade HDPE and PVC plastics resistant to crack, moisture, and UV rays.
- **Versatility:** Industry-standard sizing compatible with widely used road and work safety systems.
