Description

Traffic cone 75 cm PVC/REC Green - flexible warning cone

Are you looking for a durable and highly visible way to efficiently mark works on high-speed roads, cordon off working zones, or secure excavations? The professional **Traffic cone 75 cm PVC/REC Green** with a height of **75 cm** is an indispensable safety warning tool.

Made of **Green flexible PVC (body) and weighted recycled base (REC)**, which guarantees excellent strength parameters and high stability during cordoning. The intense warning color and stripes ensure that the product is perfectly visible from a long distance.

Technical specification

Dimensions (height x base)	75 cm x 40 x 40 cm
Material	Green flexible PVC (body) and weighted recycled base (REC)
Color	Green body with reflective stripes, black heavy base
Product weight	4,2 kg

Application

- **Road & urban works:** Maintenance works, lane marking, and hazard warning.
- **Warehouses & logistics:** Outlining safe transit lanes for forklift trucks.
- **Parking lot securing:** Quick booking of bays and marking hazard zones.

Key advantages

- **Flexible PVC body:** Easily bends on tyre impact and snaps back upright instantly.
- **Paintwork protection:** Soft PVC compound avoids paint scratching and vehicle damage.
- **High self-weight:** Outstanding wind stability thanks to its heavy recycled base.
- **Durable for years:** Frostproof and water resistant, won't crack or crumble.
- **Class R1 reflectivity:** Glass-bead band provides great night visibility under headlights.
- **Recycled base (REC):** Heavy black recycled rubber base guarantees superior stability.
- **Green hazard color:** Special color for marking custom zones (e.g. golf courses, marinas).
