Description

Traffic Control Paddle – Reflective Stop/Go Signal

Professional hand-held traffic control sign

This **red and green traffic control paddle** is designed for safe and effective manual traffic management. The **140 mm diameter paddle** is covered with **2nd generation reflective foil**, ensuring excellent visibility in all conditions.

Made from **durable plastic**, it features an ergonomic handle with a **polypropylene safety cord** to prevent accidental dropping.

Applications:

- traffic police and road services
- construction sites
- parking areas

Additional uses:

1. event traffic control
2. pedestrian safety zones
3. industrial sites
4. private areas
5. school crossings

We are a **well-known European manufacturer and direct importer of road safety equipment**, offering fast delivery and excellent value for money.
