Description

Concrete Planter BetonBox 50x50x50 cm | For Home & Garden

Furnishing a loft-style living room, office, or balcony? The lightweight and durable **BetonBox 50x50x50** planter measuring 50x50x50 cm is an outstanding, cost-effective choice for long-lasting, frost-resistant plant containers.

Our architectural planters are produced from top-tier C30/37 concrete reinforced with zirconium fibers. This material features low heat accumulation, protecting the sensitive root system of your plants on hot summer days. Complete frost and UV resistance ensure long-lasting durability both indoors and outdoors.

Dimensional tolerance	±15 mm

Applications

- **Home interior decoration:** The minimalist design fits perfectly in living rooms, hallways, or offices in loft/Scandinavian style.
- **Herbs and flowers planting:** Perfect conditions for fresh basil, mint, lavender, and smaller decorative flowers.
- **Small balconies and patios:** Compact size allows for optimal use of limited green spaces.

Advantages of BetonBox planters

- **Highly affordable price:** Excellent value for money makes this planter an accessible purchase for any home.
- **Lightweight in its class:** GRC technology makes the pot lighter and easier to move while

retaining premium concrete aesthetics.

- **100% frost-resistant:** Safe wintering outdoors without worries about cracks or chipping.
- **Hydrophobic protection:** Prevents dirt absorption and makes cleaning exceptionally easy.
